

Plainsy stay at home challenge

Tuesday 14th April 2020

Getting bored whilst at home? Want something fun to do, that will keep you busy whilst also staying safe? Why not take part in our challenge:

The staff pictures/portraits on the school website need updating. We challenge you to create a portrait of a teacher of your choice and email it to us.

Maybe drawing Miss Cassidy with utter perfection or Miss Griffith's extremely long eyelashes. It might be a painting of Mrs Walker with her tan or even Mrs Quill's worry lines! Go crazy and have a go at sketching Mrs Owen with her false nails or Miss Burnett ready for running club!

The choice is yours.

If we receive 50 emails we will post a video from all the staff that is sure to keep you smiling during these challenging times.
