Dear Parent/Carer,

Further to previous letters, text and discussions, we still have parents/carers/family members entering/congregating outside of school well before their children finish at the end of day, causing upset to our neighbours and not acknowledging social distancing.

I must reiterate again, please do not turn up any earlier than 3.00pm to collect from Nursery and Reception, 3.10pm to collect from key stage 1 or 3.15 if you are collecting from key stage 2.

This makes for a much safer collection and avoids large numbers of adults congregating on the yard.

The Community Police have been notified, due to complaints by residents, and will be monitoring the number of parents gathering outside of Tudor Grove from 2.45 onwards and they will be asking adults to leave the area until the appropriate time.

If this continues, we will have no option but to re-look at the current collection procedures for key stage 1 and key stage 2 and make further changes due to a small number of families continuing to ignore our requests.

Stay Safe

Miss Lesley Cassidy
