Homework

Dear Parents and Carers,

Friday 4th September 2020

Welcome back to a new year at Plains Farm Academy.

Every Friday, pupils at Plains Farm will be set homework, to be completed by the following Wednesday. However, this year we are going to set homework online using Education City, rather than sending a homework book, to minimise the amount of items the children will be bringing home and returning to school.

All children in school will have a personal login, which they will bring home with them next Friday (11th September). They will need to use their personal login to access the website, where they will find the set homework, for their class, within the 'My World'/'Homework' section of the home page.

Each Friday, children will be set at least one maths and one English task to complete for the following Wednesday. Teachers will monitor whether children have completed tasks and how the children have performed and follow-up where necessary. All the set tasks, will have an expiry date (children will no longer be able to access the task) of the following Wednesday, so all homework will need to be completed on time.

If children have any issues with accessing homework or completing set tasks please contact school by either phoning or emailing the school office to leave a message for the class teacher, who then get in touch as soon as possible.

Plains Farm Academy is an Academy operated by Inspire Multi Academy Trust.
Inspire Multi Academy Trust is an exempt charity.
It is a company limited by guarantee registered in England and Wales under
company registration number 08287012.
Registered Office address: Archer Road, Farringdon, Sunderland, Tyne & Wear SR3 3DJ
