Dear Parents/Carers,

Reverse Advent Calendar

This year to celebrate advent we have decided to give something back to our local foodbank after all the support they have given to our local community during COVID 19.

Across school, we are going to participate in a reverse advent calendar beginning on Monday 23rd November and ending on Wednesday 16th December.

The purpose of a reverse advent calendar is to encourage everyone to think about how much we have and to support us in giving a something away each day to help those in need.

Each day the children can bring in one item from the list below and place it in the reverse advent calendar box in their classroom. There are no rules to how much you can bring or which items you bring on which day, it is entirely up to parents how much they would like to donate and how often. Some families may wish to take up the challenge of bringing a small item each day or some may choose to bring one item during the reverse advent calendar period. Any donations will be gratefully received.

All items will be given to the local foodbank on Wednesday the 16th December.

Donations requested:

- Tins of food
- Toiletries
- Packets of biscuits/ sweets

Thank you for your support,

Mrs Maher.
